

NEXT GEN LEADERSHIP TRAINING

Passionate about mission *but not sure where and how?*

Want to grow deeper in your ***relationship with God and the people He has placed you with?***

Ready to maximise your ***leadership potential?***

Willing to be transformed so ***you can transform the world?***

We are committed to raising up leaders through training that is **Practical, Theological** and **Relational**:

- 13 Tuesday evenings starting 18th Sept 2018
- six Saturday mornings, starting 12th Jan 2019
- regular discipleship or 'ministry formation' groups
- some directed reading and preparing written work and/or verbal presentations in ways appropriate to individual participants

WHAT TO EXPECT

A. Practical

- walking together through the issues that arise in practice in ministry, thinking and praying them through together
- opportunities for service including mission trips and local mission
- scripture memory and other spiritual disciplines.

B. Theological

- understanding how to dig for truth in the scriptures and how to relate faith to practice
- understand something of the “Big Picture” of scripture and salvation past and future
- using some key books as a basis for discussion and training in character and how to make disciples.

C. Relational

- discipleship informally around meals and “ministry formation groups”
- regular corporate prayer
- accountability - a context for sharing lives and being open and vulnerable with people we can trust.

Optional

For those looking for full time training, there is also an option of linking this training and practical service in All Nations with a degree in Theology and Mission through our partner ForMission college. Talk with us about how this can work.
