Three Things to help you meet with God

1. Have a Set Time

Very early in the morning, while it was still dark, Jesus got up, left the house and went off to a solitary place, where he prayed. Mark 1.35

- What you do first set's a precedent
- That's why we start the week on the FIRST day and come to the House of God
- That's why we tithe first from our income - Bringing God our first and best
- Meet God First thing in a day and it sets the course your day

2. Have a set place

Very early in the morning, while it was still dark, Jesus got up, left the house and went off to a solitary place, where he prayed. Mark 1.35

- Jesus went to a solitary place
- He had a certain place a set place
- I go to the front room of our house
- Where can you go as your set place

3. Have a Plan

Very early in the morning, while it was still dark, Jesus got up, left the house and went off to a solitary place, where he prayed. Mark 1.35

Without a plan we all flounder. But a plan provides a structure

- Have plan to read the Bible - This can help you choose www.ligonier.org/blog/bible-reading-plans/
- Create a prayer plan - This can help you <https://21days.churchofthehighlands.com/files/prayer-journal.pdf>
- Remember you have freedom to deviate from the plan as the Holy Spirit leads.
