

Here are some important changes we are making to the plan in the light of the transition to “New Wineskins.”

Residentials

Sadly it is not possible with the Covid-19 restrictions to run residentials in Wolverhampton, as we had hoped and planned. However we will meet online using Zoom on each of the three evenings **Tues 29 Sept, Wed 30 Sept and Thurs 1 Oct** at 7.00pm till no later than 9.00pm.

These will be a vital time of sharing the vision and how it fits with what the Lord is saying to the whole church and to us as the All Nations family. We will also share some practicalities and facilitate starting to get to know one another.

Core times together

We had planned for day times on Wednesdays, but we are excited about the vision for New Wineskins and therefore the need to equip a large number of new Home Church pastors and other key team members. This fits well with our original vision to train church planting team leaders and team members. But it means we need to make the Leadership College more accessible to people in work.

So the core times together will be Wednesday evenings at 7.00pm till between 8.30 and 9.00pm.

Ministry formation groups

Everyone will be part of a group and they will be a vital part of the whole training and equipping. These will get together as a breakout for part of the Wednesday evenings. We will also ask them to meet separately at least once a month (preferably to share a meal of some sort together).

Costs

We will reduce the total cost to £360 to make it more accessible. This is £30 per person (or £50 per couple) per month for 12 months.

We do not want cost to be a barrier to anyone so please get in touch if you would struggle with paying this, or if you would like to contribute to sponsor another participant anonymously.

The other elements of the course, including the opportunity to engage in further study alongside the teaching element, will still apply as described in the brochure. The time commitment is less but the commitment to engaging with all aspects each week remains (unless prevented by illness of course!).

Curriculum

The subjects will be slightly revised.

Dates

The dates will be the same Wednesdays as in the Curriculum plan **and also** the third Saturday morning in each month from October 2020 (except December 2020 and April 2021).

We are excited about the Leadership College. We know many lives will be changed as a result!
