Questions

1. Share some of the things God has said and done during - or as a result of - the 21 days prayer and fasting. If you have kept a journal it will be a great resource - if not, why not write up some notes now to capture your thoughts, prayers, insights and what the Spirit has been saying through prayer and scripture (both individually and with others).
2. Share testimonies of some opportunities you have had recently to BLESS (take some time to look at each of the five aspects in BLESS).
3. From 1 Cor 9:19-22, why was Paul so committed to blessing and valuing others? Are we?
