

Summary of Sermon

Ps Steve spoke on “Money matters - ownership.” The way we use our money reveals where our hearts are: Matt 6:21. Ownership is the Lord’s and we have been given stewardship (management) - we will have to give an account for how we manage time, talents and treasure, the world and the relationships and revelation we have Matt 25:14-30.

Questions

1. Why do you think the Bible have so much to say about possessions and how we handle them?
2. Can you think of things you have that you hold lightly knowing you are a steward? Are there other things that are a struggle to let go of? How can we become more like stewards of these things than owners?
3. Ps Steve gave an example of being obedient to God in giving away a car - does that kind of giving sound scary and only for pastors, or should it be normal for anyone who is a Christian?
