

Summary of Sermon

Pastor Rick and Steve's discussion centred on how All Nations is growing into an apostolic movement. Including:

- what that means (sent, sending, going, giving, advancing)
- how this has been unfolding so far
- some of what God is calling us to
- how some things are going to change
- how our identity and purpose remains the same in Christ.

Questions

1. What role do you see your Life Group playing as All Nations develops?
2. The All Nations family now has nine congregations and in three years' time is set to have twenty-five. It is seen that gathering together annually at Authentic will become more important as we grow. Can some of us who attended this year share some of your experiences?
3. Are you inspired by God's plan? Or maybe even daunted? Pray for each other's individual role in this journey that is beginning to take pace. Refer to Psalm 139: God knows you and has plans for you. Remember: do not fear. Fear the Lord!
