

Summary of Sermon

Pastor Steve spoke about the fear of the Lord. Isaiah 33.6 tells us that 'the fear of the Lord is the key to (this) treasure. In Isaiah 11.3 Jesus is described as 'delighting in the fear of the Lord.' If Jesus chose this way of life, we will surely gain from doing the same.

Questions

- A If God is all powerful why does scripture (Prov 1:29) urge us to "choose" the fear of the Lord?
- B How can someone who loves God fall away and do wrong? How can we avoid this?
- C If we have determined to fear the Lord what kinds of things will others notice?
- D Look up, from Ps Steve's notes, some of the scriptures promising rewards for those who fear the Lord. Why or how does fearing God produce these?
