

Summary of Sermon

Ps Steve spoke on Love Came Down - the true meaning of Christmas. God does not love us from a distance but came close and comes close.

Questions

1. First, pray for those who were invited to the Carol Service - whether they came or not - and then share ideas of how we can continue to BLESS them.
2. Why is our faith so different from all other religions?
3. How can we explain to those who are not yet Christians why our faith is different without creating unnecessary barriers between us and them?
