

## Summary of Sermon

Ps Steve spoke on Ready Steady Go. Are we **ready** to leave 2017 well and enter 2018 well? Rom 13.11-14. Then we **steady** ourselves with two or maybe three resolutions for the New Year - intentional about how we will leave a legacy. 2 Thess 1:11-12; Heb 12:1-2. Then do not fear but **GO** because God is with us.

## Questions

First, how have we all been able to BLESS neighbours this week?

1. What sort of things prevent us leaving the current year well?
2. How can we deal with these things and how quickly?
3. Share one or two 'resolutions' or steps you want to take in this New Year - and pray for one another using 2 Thess 1:11-12 as a basis or framework.
