

Summary of Sermon

Pastor Esther exhorted us to keep looking for and expecting the Lord's favour this year and to keep digging deep into God's word, prayer, loving God's people and PRAISE!

We are called and created to praise.
It enlarges our own view of God, attracts God's presence and also repels the enemy.

Make praise a routine part of your daily devotion with God.
Praise God at all times, in all circumstances.

First, how have we all been able to BLESS this week?
(Begin, Listen, Eat, Serve, Share)

1. Why would the enemy try to shut down our praise of God?
2. Can you think of five times which seem to make the least common sense for you to praise God?
3. Many psalms turn troubles around into praise – read some, out loud, both now and even when you are alone. Speaking our praise is an important weapon and by it we also encourage ourselves.
4. When do you praise? When will you praise?
