

Summary of Sermon

Ps Steve spoke on how changing what we say can bring big changes in our lives. How do we use our words? Let's silence criticism and other words that bring death and speak words that bring life.

Questions

First, how have we all been able to BLESS this week?

1. God's words carry life because He is God. Why do our words carry life (or death)?
2. When someone with authority (a parent or teacher) speaks positive or negative things it can have a massive impact for good or bad. Can you share something positive that has been declared or even prophesied over you? If you carry the pain and limitations of negative words spoken, you may feel able to share this with the Life Group for prayer to be set free.
3. Look at some of the confessions based on scriptures, listed at the end of Ps Steve's notes. Which one do you connect with particularly? Can you share why? *Write it down and declare it at least twice a day until your Life Group meets again.*
