

Summary of Sermon

Lydia Marrow of Shake The Nations Ministries preached about Courage, here's some of what we heard:

Courage is my key. 'A scared world needs a fearless church' – A.W.Tozer.

Let not [the world's] culture dictate to the people of God.

In 1 Samuel 17 David defeats Goliath; courage is not about who you are – it's about who you've been with. David knew in whom he believed.

Know God in [the] secret [place] so that He's with you in [the] public [space].

Courage and Christianity are not about being comfortable – the Holy Spirit comforts your spirit, not your flesh. Courage rises up through your testimony – we overcome by speaking it and by the blood of the lamb Revelation 12:11 – encourage yourself in the Lord.

First, how have we all been able to BLESS this week?
(Begin, Listen, Eat, Serve, Share)

1. Does the culture of our society help or hinder us to be courageous for God?
How can we maximize its benefits and overcome any of its hindrances?
2. Do you have past and recent testimonies by which to encourage yourself in the Lord?
Journalling what God has said to you can be a useful resource.
3. Was Lydia's message encouraging to you? What do you take away from it?
