

Summary of Sermon

Ps Steve spoke on Mission Possible. Our anthem is Psalm 67 - that all nations might praise Him. Our marching orders are Matt 28:18-20, to go and make disciples. Our identity is as people of the Spirit who are witnesses of what we have seen. Our message is the gospel (Rom 1:16-17), that we may know Him (John 17:3) and be reconciled to God and each other as part of a new creation (2 Cor 5:14, 17-19)

Questions

First, how have we all been able to BLESS this week?

1. If we have been Christians a while we may become familiar with the gospel - we might lose the wonder of being forgiven and made part of the new creation. How can we continually keep this fresh in our lives?
2. Our identity is as people of the Spirit and witnesses of what we have seen. How can you put into words some of what you have seen recently of Jesus? You might like to do some “role play” in the group in pairs, one pretending to be an interested not-yet-Christian.
3. Some of our neighbours are from other nations where it is against the law to become a Christian and have never heard the gospel. Think of some examples. How can we get to speak about Jesus with them?
