

## Summary of Sermon

Ps Steve spoke on Purpose - we are created in God's image for purpose. Gen 1:28

What is our purpose?

1. Relationship/friendship with God
2. Work (Gen 2:15) to steward/look after the world - this includes reducing waste (re-use, recycle, repair or give away rather than throw away)
3. To steward people - plant churches and equip missions to reach every person with justice and compassion as well as preaching the gospel.

## Questions

First, how have we all been able to BLESS this week?

1. What would you say to a friend or family member who does not (yet) know God but asks what is the purpose of living?
2. Why does God care about how we in a wealthy country use water or food? How can we take steps to live in a way that helps to steward and share the earth's resources?
3. How can we allow the Bible to challenge us to change our thinking and what we do? Can you share any examples?
