

Summary of Sermon

Ps Steve spoke on video recording about Hope - continuing the series on The Code. Biblical hope is not wishful thinking but a confident joyful expectation that, because of God, tomorrow looks better than today.

Hope looks like Abraham waiting for a son, David running towards Goliath, Daniel's three companions in the furnace and Paul through shipwreck!

Hope comes from God - calling out to Jesus and trusting Him wholeheartedly.

Questions

First, how have we all been able to BLESS this week?

1. Why does Paul link faith, hope and love so closely (see 1 Cor 13:13 and 1 Thess 1:3 and 5:8)?
2. Ps Steve quoted a statement that the person with the most hope has the most influence. Why is this?
3. How can you share hope with colleagues at work or family members? Can you think of examples where you or Christians you know have been able to do so?
