

Summary of Sermon

Ps Steve spoke on Love - the final sermon on the Code, our values. Faith, hope and love have eternal significance (1 Cor 13:13) and belong together (1 Thess 5:8). Jesus and Paul (and the whole Bible) place enormous value on love. We need to choose to put on these virtues like clothes. True biblical love is impossible without the Holy Spirit but the good news is in Rom 5:5!

Questions

First, how have we all been able to BLESS this week?

1. Read 1 Cor 13 together and think about the different descriptions of godlike love. As you remember what has happened in the last week, are any of these particularly hard? Ask others in the group to pray with and for you from Romans 5:5.
2. "Love keeps no record of wrongs" so does love just ignore offences or does love challenge them? When is it best to overlook someone being hurtful and when (and how) should we challenge them?
3. What would it look like in your workplace or your home for you (and other Christians there) to be clothed in faith, hope and love?
