

Pastor Steve talked about

- Prayer preceding breakthrough
- Perseverance and preparation in prayer
- Gathering in community for prayer

Key scripture 1 John 5:14: we have confidence that God hears us when we pray according to His will.

How have you been able to B.L.E.S.S people this week:

BEGIN with prayer

LISTEN to their story

EAT together

SERVE where there is a need you can meet

SHARE your story of salvation and new life in Christ: our lives matter to other people's lives.

Questions

1. Do you think fasting is a result of a hunger for God, or does it create a deeper hunger for God?
2. How does knowing and envisioning what God wants affect our praying?
3. Prayer affects what is being prayed about, but can also affect the person who is praying: have you any recent experiences to share regarding this?
4. Fundamentally, people have the same needs, despite all the change that we see in the world. If a work colleague asked you to pray for something, could you also recommend that they also pray?
