

## Summary of Sermon

Ps Steve shared his heart on the theme of Grow - our theme for 2019 (John 15:7-10 and Isa 54:2-3). If we are to grow in the supernatural this year, in the gifts and fruit of the Spirit, in maturity and in number, the starting point is absolute, radical surrender to God.

## Questions

First, how have we all been able to BLESS this week?

1. Which of the things shared by Ps Steve or Esther (both services) or Rick (second service) stood out to each of us? Absolute surrender means different things for each of us and we should not pressurise each other, even by accident, so how can we encourage one another to offer all we are and have to the Lord?
2. "If we are contesting for New Testament Christianity then there should be no needy person among us." Read Acts 4:32-35. What might this look like in our context and how might we move towards generous lifestyles without pressure/legalism?
3. "If you keep Jesus in first place He will keep everything in perfect place." - how do we know this in our experience?
